

TIMELESS PEBBLES FOR TIMELESS SPACES

About us

We are proud to be South India's largest wholesale dealer of natural pebbles, catering to the diverse needs of customers across Karnataka and Tamil Nadu.

Our wide range of premium pebbles includes polished and smooth pebbles, river rock pebbles, lava rock pebbles, and aquarium pebbles. Whether you're looking for decorative options for landscaping, water filter media, or aquarium settings, we have the perfect solution for you.

Pure. Timeless. Naturally Beautiful.

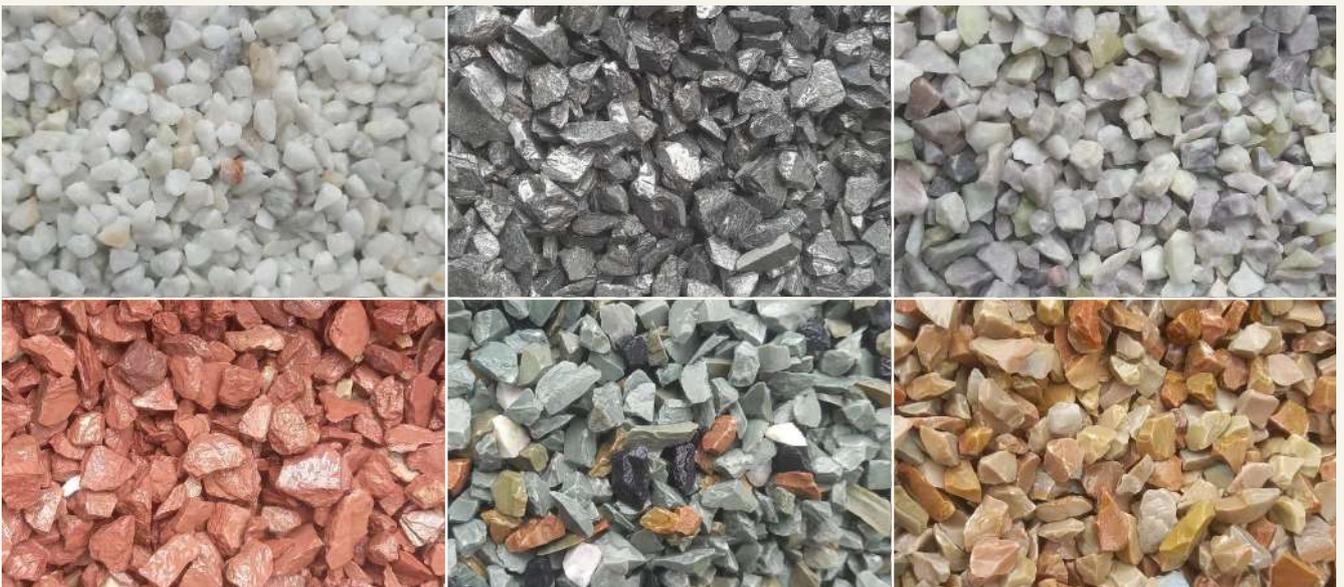

Garden Rock

Hand-picked natural stones that bring calm, organic texture, and earthy richness to your design. Ideal for pathways, borders, water features, and minimal landscaping that complements contemporary architecture.

Colorful. Textured. Naturally Expressive.

Napa chips

Napa Chips add bold, natural texture to any outdoor or indoor space with their vibrant, hand-selected mineral tones. Ideal for pathways, borders, planters, and contemporary landscape accents—bringing depth, color, and timeless character to modern architecture.

Bold. Textured. Naturally Striking.

Lava Blue

Rugged blue-toned stones ideal for pathways, borders, and modern landscapes. Adds depth, contrast, and a naturally dramatic look to any outdoor space.

Napa Multi

Rich multi-colored stones perfect for borders, pathways, and garden accents. Brings warmth, texture, and a handcrafted feel to contemporary designs.

Calm. Earthy. Refined.

Napa Green

Natural green-tinted stones ideal for borders, pathways, and feature accents. Bring a cool, grounded tone that enhances modern garden design.

Napa Lemon Yellow

Lemon-yellow stones perfect for pathways, borders, and decorative highlights. Add a vibrant, uplifting color that stands out in contemporary landscapes.

Warm. Natural. Timeless.

Golden River

Golden-toned river stones ideal for borders, pathways, and landscape accents. Bring rich earth tones that add warmth and harmony to outdoor spaces.

Length River

Long, polished river stones perfect for pathways, edging, and premium garden design. Offer a sleek, refined look that enhances modern architectural landscapes.

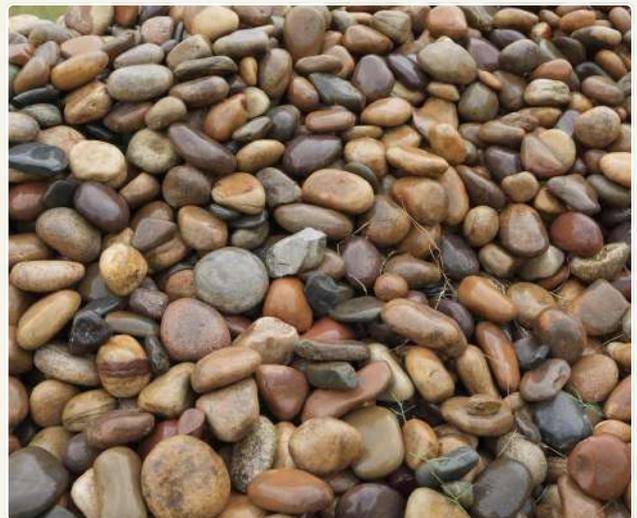

Smooth. Rounded. Classic.

Disk River

Flat, disk-shaped river stones ideal for pathways, borders, and feature accents. Bring a calm, balanced aesthetic with their naturally polished form.

Mix River Pebbles

A rich blend of multi-toned river pebbles perfect for gardens, pathways, and décor. Add depth, texture, and a beautifully organic look to any landscape.

Bold. Textured. Organic.

African Jama Black

Dark multi-toned pebbles ideal for borders, pathways, and modern garden styling. Add depth and natural contrast to elevate any outdoor space.

Driftwood & Spider Wood

Natural driftwood pieces perfect for aquascapes, décor, and landscape accents. Bring artistic shapes and earthy character to contemporary design.

Rock
DISTRIBUTOR

Raw. Earthy. Authentic.

Natural Rock

Rugged, naturally shaped stones ideal for pathways, borders, and landscape edges. Bring a grounded, organic character that complements modern outdoor spaces.

River Ball

Perfectly rounded river stones suited for gardens, walkways, and décor accents. Add soft, natural curves that enhance clean and contemporary landscapes.

Fine. Pure. Soft.

Silica Sand

Ultra-clean, light silica sand ideal for water filtration, pathways, and Zen landscapes. Adds a smooth, refined texture that brightens modern outdoor designs.

River Sand

Golden-toned river sand perfect for water filtration, leveling, and landscape detailing. Brings a warm, earthy base that blends beautifully with any outdoor setting.

Porous. Sculptural. Unique.

Holes Rock

Porous, rugged stones ideal for feature walls, borders, and landscape accents. Add strong character and earthy texture to modern outdoor designs.

Fountain Rock

Light, hole-rich stones perfect for fountains, water features, and garden décor. Create striking natural formations that enhance contemporary spaces.

Porous. Natural. Characterful.

Terrarium Rock

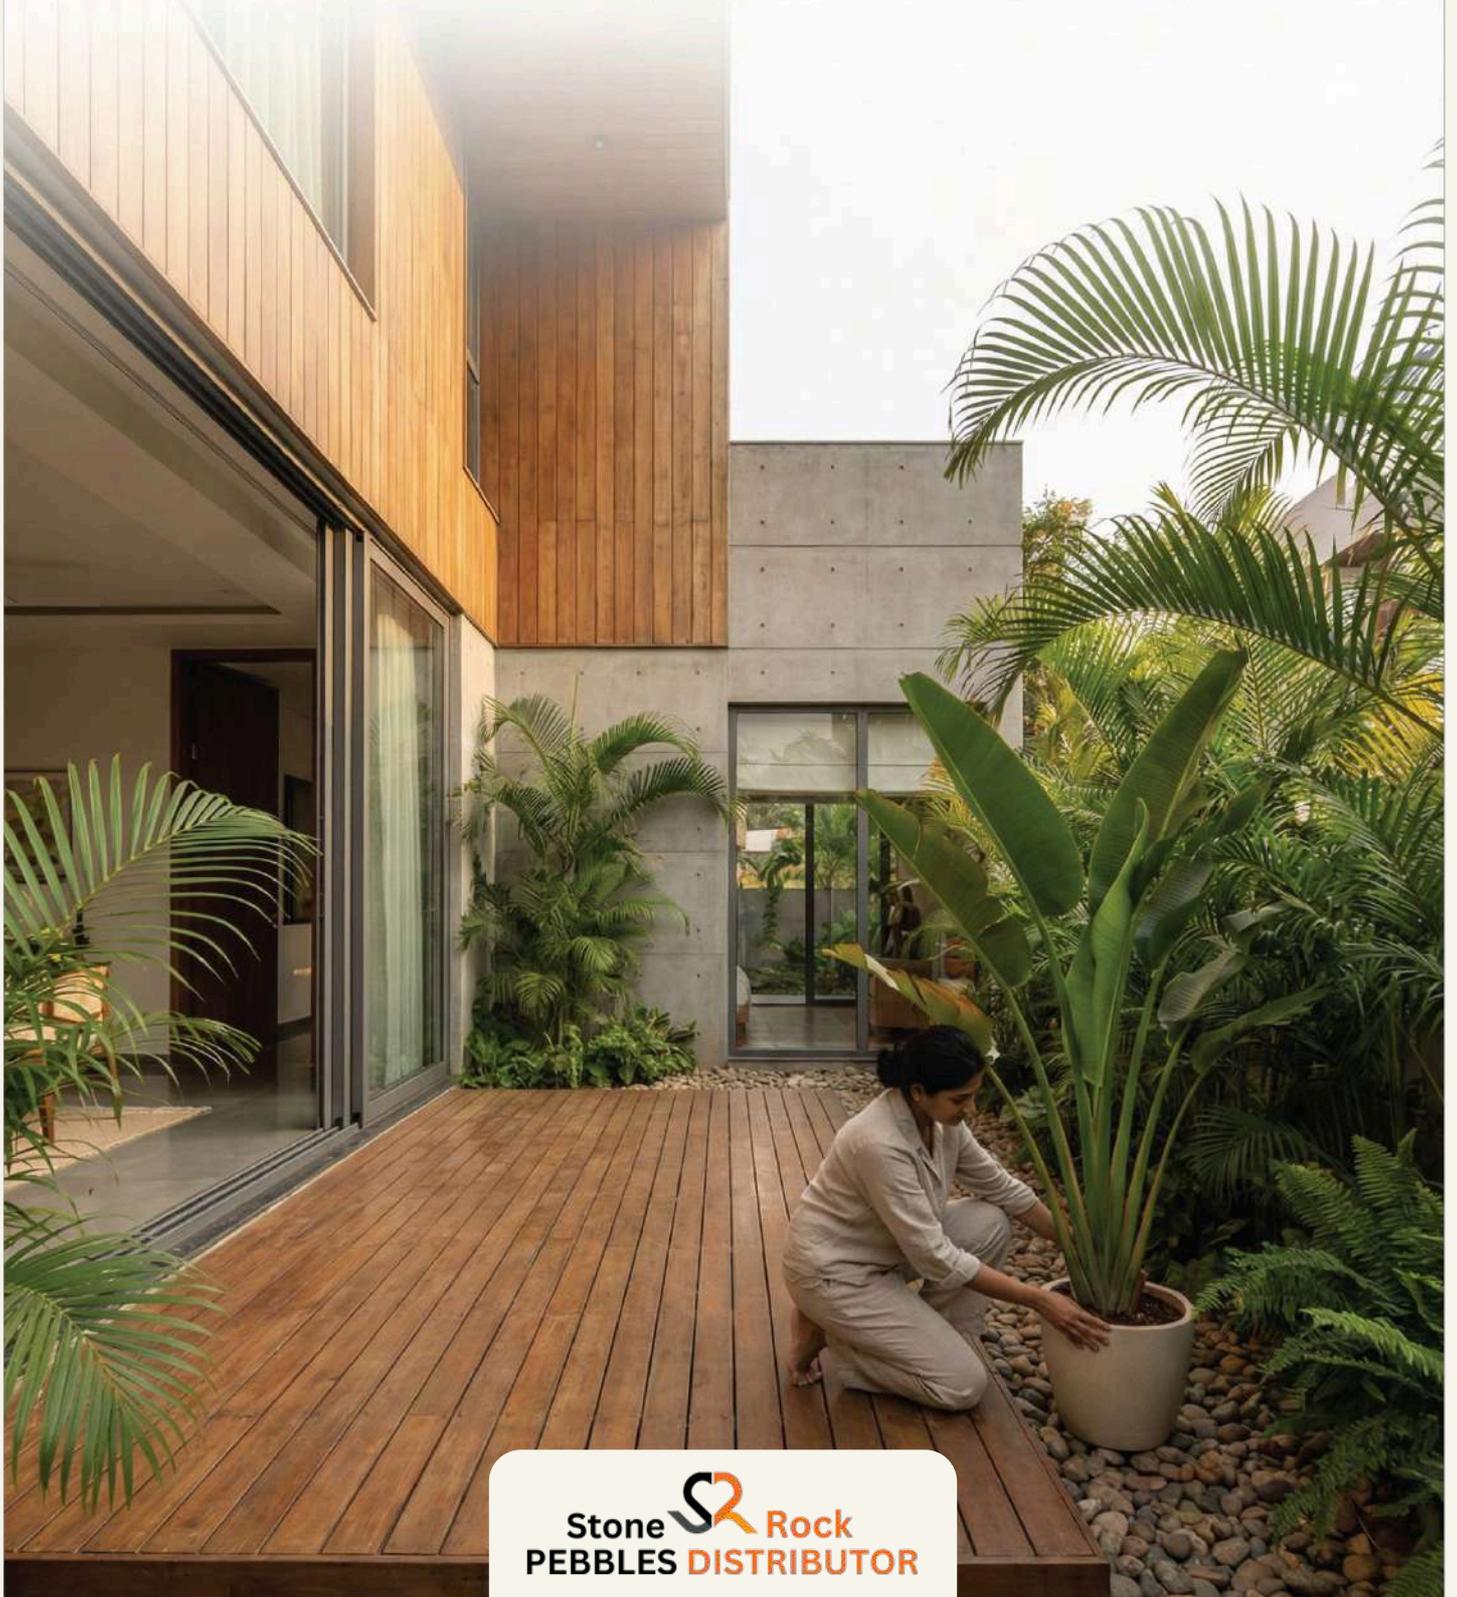

Light, hole-rich stone ideal for terrariums, aquascapes, and garden accents. Creates organic, sculptural formations that bring depth and texture to any space.

White Unpolish

Matte white pebbles perfect for pathways, planters, and modern garden décor. Bring a clean, calming aesthetic that brightens contemporary landscapes.
